

## Nieuwkoop Productions

Nieuwkoop Europe offers a wide range of green plants from internal production. The plants are imported from production sites in the Netherlands and abroad, working closely with selected growers.

### **Webshop**

Log in at [www.nieuwkoop-europe.com](http://www.nieuwkoop-europe.com) and simply search for the code of the articles described here in the brochure. You will see our prices and stocks straight away.

Please do not hesitate to contact us if you have any further questions.

Artcode: 4AGFRBU15  
 Description: Aglaonema freedman  
 Variety: Tuft  
 Pot: 35  
 Height: 80
